जाहां या "जाहां" किये, जब वर्षा या "ग्रहण" किये, हाथों में धूमधुंजी "प्रसाद" किये, रंग-चिट्ठों मुख से भरी "भास" या लीलाएं किये जर्म हूर्फ़ लगाएं। इस नीतिमें, ऐसे तुषार शिष्य उन इन्हें जल पारण करने वालों के बीच से अपने घर्षण वाले बालव बढ़ाती है, ऐसे हमें भी जले जल के गंधे आवाजों को जल-जल-बर्च-जल औ जलवाया के जल, जिसे गंधे तभी बालकों को एक जब भी बिल्कुल न काम न करने वाला जल के जल

जल, कला और संस्कृति के विकार रहे हैं रंग है
होशी के न्यौहार पर घारों पीढ़ी बंग है।

Recently we had conversation with a young business entrepreneur and a bright young couple from our community who are "लीक में छट के" as they have pursued challenging career opportunities

Unlike the traditional line of business in Electricals of his family, Sudhir Kothari born in Oct 1964 to Hanuman Dasji & Mohini Devi Kothari after finishing his graduation in Commerce from St Xavier's College, Kolkata was fascinated by the emerging contours of Information Technology when it was relatively very new to Indian Market. His company "Embee" started operations at Calcutta in 1987 as a trader for supplying Technology consumables to corporate users. In 1989 it entered into the business of software licensing of world renowned companies. In 1992 it tied up with Microsoft and other software companies to become a one stop shop for all the software requirements of corporate buyers. These were the hard times when buying licenced software were considered to be wasting money as pirated software were rampantly available free with hardwares & were used even in corporate houses.

This was when he realized that staying in one city multiple cities between 1994 and 1999. He period and also tied up with Compaq (Now HP) his existing customers His company is now a true solutions on ERP, software licensing, Building IT augmentation and Technology solution. On infrastructure optimization, Document Virtualization and IT Security stacks. It has a total Solution and SAP B1 solution business unit. The relationships with the global IT giants like Microsoft, HP, CISCO, SAP, Epson and others with the mission to take world class IT solutions to its customers. From a turnover of Rs. 12 Crin 2001 it is now expected to touch Rs. 155 Crin March 2010

Sudhir build the organization based on the model of Entrepreneurships, adoption of best practices and scalable processes. This has helped him to retain the quality manpower in the organization on sustainable basis which is one of the biggest challenges in any IT organization. The company under its leadership adopted best practices to bring transparency and fairness in its dealing with customer and its employees who are the biggest asset of any company.

On being asked about the future of IT sector he has to say that it is a fast growing and ever shine industry. On being asked on his experience in working in other states, he has to say that the Govt of West Bengal needs to improve Infrastructure and work culture immensely to attract the entrepreneur's and investors to invest. This will help to attract big industry to the state which will enable to create an ecosystem of business otherwise the bright talent of Bengal would continue migrating to other states and country.

would not help in growing and hence expanded to opened 8 branches across the country during that and other HW vendors to take hardware solution to system integrator providing customers with infrastructure and Data centers. Manpower Technology Solutions It specializes on MS Management and Work flow application of 220 employees out of which 25 are in Technology company under his leadership has forged premium

You can count on your fingers number of Doctors in our community. A career so challenging that very few dare to choose and study and after much hard work once you become Dr. your life becomes important for the entire Society. We are proud to have in our community young couple who are both Doctors Dr Rakesh & Dr. Kaama Kothari. We had a conversation with them ...

Mahadev Ji Ka Temple

The Mahadevji Ka Mandir also known as Jhopdi Ki Chowki was established in S.Y. 1999 i.e. around 1944 A.D. by the descendants of Maheswari Toshniwal Trilok Singhji Kothari at Kothari Ka Chowki Bikaner. This temple was centre of activities for the community for several years as it was the starting point for many social activities including "Banaat" & "Mayaraas". Currently the Daily Puja is conducted regularly & Special Utsav's are arranged during auspicious days. The Gangaur utsav is organised here with much fan fare. We are grateful to our brothers in Bikaner particularly Shree Lalji & Narayandasji for managing the affairs of this temple diligently.

TRANSFORMATION OF SATI TEMPLE AT BIKRNER

2007 A.D.

2009 A.D.

After the common consensus when we had sold Shree Kothari Bhiapa Panchayat Land to Idgah Bari Bikaner, we had still retained 2000 sq ft(appx) of land on the main road where the existing Nadas & Satiji's relics were shifted in a temporary shed. We are thankful to Syt G.D. Kothari under whose guidance Kothari Medical & Research Centre (Bikaner) came forward generously and made a beautiful temple and has given it a facelift.

A journey of thousand miles begins with small steps.....

Bhoomi Pujan

Year 2004 Settlement of Land dispute with the unauthorised occupiers at Bikaner & taking possession of the land. Ad hoc contribution collected from our Kothari brothers for settling the above dispute.

Year 2005 Discussion between Kothari brothers of Kolkata & Bikaner about the future of this land; Unanimously a decision was taken to sell the land.

Year 2006 Our search for the buyer ended as a purifiser was found for the land. Setting price and selling the same was finalized after keeping 500 yards (2000 sq ft approx) of road facing land by us - in which Nadas & Satyji's temples were re-located. Adhoc Contributions taken from community refunded.

Year 2007 First piece of Land was bought at Kolkata under Shree Kothari Bhupriya Panchayat Trust at Shikharpur at Kolkata near New Town opposite to the land mark health resort VEDIC VILLAGE in Sept'07. It is on State Highway on which State Buses ply regularly. Bus-hammin 16 minutes Walk.

Year 2008 And process for further acquisition of adjoining land continues.

Year 2009 By this time we have acquired total 39 Cottana & Chittack acre land. The Land has 126 ft (approx) width on the main road. Boundary work was started on with Bhoomi Pujan on 30th May 2009 and was completed and the Main gate was installed. Kudos to Han Mohan and Shyam Sundar Kothari for taking responsibility single handedly. At Bikaner New Temple is made at 2000 sq ft of land by Kothari Medical Centre (Bikaner) under the guidance of Syt G.D. Kothari.

It would have been an impossible task without proactive participation of our President Shri J.M. Kothari, Past President Shri C.R. Kothari, & V.P. Shri S.R. Kothari all Working committee members, active members, Trustees and support of our generous Chairman of the trust, Shri D.D. Kothari & warmth of Shri Arunji Kothari and more most Syt. G.D. Kothari our inspirator who has not only been instrumental for settling Land dispute at Bikaner but whose words of wisdom & generosity has always been our source of light & energy for procurement of new land at Kolkata and beyond. Even in the years to come people in our society will always remember him for what he has achieved for his community & its people.

Immediate Plans We shall be going ahead with work like Land filling & Constructing Durwan & Store Rooms and Power connection shortly. And also need to keep a sizeable fund with the Trust to meet security and other allied annual Expenditures till we turn up a full fledged project after a few years.

We are thankful to our Trustees and all our members who have come forward and have contributed generously for this work. It is our privilege to have such "angels" in our society but we firmly believe in Milton's word "they also serve who stand and wait". So come one & come all for creating the foundation for tomorrow for our generation next. Drops make the Ocean. Your contribution how ever small or big it may be it does not matter. What matters is your trust which you are putting in the organisation by contributing your finances, ideas, time & skills. This is which will go a long way to make your organisation strong brick by brick. So please come forward and contribute in whatever way you can.
