SHREE KOTHARI BHAIPA PANCHAYAT

Dr. Hari Shanker Kothari

Born in Purulia District of West Bengal on the 15th day of July, 1940, Shri Hari Shanker ji Kothari is now, 74 years old and currently in Delhi.

After doing his schooling in Purulia district, he broke away from the family tradition of joining family business all against the will of his family members, to pursue his dream of becoming a Doctor. With hard work, he realized his dream when he completed MBBS from RG Kar Medical College, Kolkata and made his parents and his village members proud of his achievement. He was probably the first member of the Kothari family to become a Doctor in our community.

Later he did MD in Medicine from Delhi University. He is practicing Physician and Neurologist and is serving mankind since more than 5 decades. He has cured thousands of patients during his career.

Even at this age, he regularly attends his patients at his clinics at Kirti Nagar and East Patel Nagar, New Delhi. He was earlier attached to renowned hospitals like Sir Ganga Ram Hospital, Tirathram Shah Hospital, and Kolmet Hospital, New Delhi. Presently he is a Consultant Neurologist at Kalra Hospital, Kirti Nagar, New Delhi. He also happens to be the Ex- President of Delhi Medical Association. He has received several awards from various organizations for his distinguished services. Dr. Hari Shanker's career has left a lasting impression on his family members. He has three children, all of whom are doctors practicing in India and abroad. Not only his descendants like his son and daughters, but most of his son in law and daughter in law are also pursuing a career in medicine and will carry forward his legacy for generations to come.

His family has given our community more doctors than the entire number of doctors combined from our community. Such great is the contribution of Dr. Hari Shanker ji and his family. Today, nearing 75 years of age, he continues to work for his patients day and night, and his journey continues...

हमारे गौरव - शिवरतन कोठारी

भारतवर्ष की जनसंख्या के कुल अनुपात के अनुसार देखा जाय तो माहेश्वरी समाज दरमिलाय संख्या में आया। परन्तु समाज के लोगों ने अपनी प्रतिभा, साहस और उद्यम से प्रथम पंक्ति में अपना स्थान बनाया है। सेवा चाहे कोई भी हो। यह और बात है कि सतत जन बनने वाली विधिति से हम क्वी भी नहीं हैं। बावजूद इसके, हमारे लोग जिस होब में जात नहीं भी हैं, प्रमुखता से लये हैं। ऐसा ही क्षेत्र है सत्ता की राजनीति, जिसमें कांग्रेस, भाजपा जैसे दल अपने वर्चस्व की लड़ाई लड़ते रहते हैं। राजनीति के इसी क्षेत्र में जुड़े हैं अपने भाई श्री शिवरतन कोठारी। हाबरा नगरपालिका का अध्यक्ष पद पाकर राजनितिक घर्षों के केंद्र में आये शिवरतन जी का जन्म 4 सप्टे 1939 के दिन, राजस्थान के जायूर जिले के श्री बालाजी गांव में हुआ। अमरावती के पौर और उमादेवी-हजारीमालाजी के पुत्र शिवरतनजी ने गुरुजी की पोषाल में महाजनी विद्या सोखने के बाद स्थानीय स्कूल से मैट्रिकुलेशन करा किया। सन 1948 में वे कोलकाता आये और अपने काका किरानालाल जी कोठारी के निर्देशन में सदासुख कपड़ा स्थित दुकान में वस्त्र व्यवसाय के गुरु सीखे। यहाँ रहते हुए इन्होंने बांगला और अंग्रेजी सीखी। सन 1954 में हाबरा आ बसे और आज वहाँ के प्रमुख व्यक्तियों में इनकी गिनती होती है।

सन 1948 में उनका विवाह गौदावरी देवी से हुआ। आपके पाद पुरियों और एक पुत्र रमेश है। 1962 ई में गौदावरी देवी का देहावसान हो गया।

बचपन से ही आप राष्ट्रीय स्वयसेवक संघ से जुड़े हैं। सन 1948 में डॉ. रघुनाथसाह मुखर्जी के आह्वान पर अपने जनसंघ की सदस्यता ली और राजनीति में सक्रिय हुए। सन 1950 में भाजपा का गठन हुआ तो उसमें शामिल हो गए। तब इन्हें संडल समापति का पद सौंपा गया, जिस पर ये आज भी संशुभित हैं शिवरतन जी। विश्व हिन्दू परिषद में डॉ. 24 परगना जिला कोषाध्यक्ष का कार्यभार भी सौंपा ही है। सन 1962 में जब हाबरा नगरपालिका के चुनाव में भाजपा सबसे बड़ी पार्टी के रूप में उभर कर आई तो भाईजी को सर्वे सम्मति से पालिकाध्यक्ष चुना गया। इन्होंने अपने 4 वर्ष के कार्यकाल में वहाँ BPL कष्ट व्यवस्था, प्रसूति शाला, वृष्य पेशान रावे शिवा अभियान आदि आरम्भ कराये। सड़के बनाये; प्रवास व्यवस्था की। साथ ही Ambulance की व्यवस्था भी पहली बार की। इनके कार्यकाल के ये 4 साल आज भी हाबरा के लोग याद करते हैं। इसीके चलते ये 1962 के चुनाव में भी पाषण्ड चुने गए।

स्थानीय सेवा कार्य के लिए इन्हें सन 1963 में हाबरा बाजार व्यवसायी समिति का अध्यक्ष बनाया गया। 1962 में पालिकाध्यक्ष बनने के बाद इन्होंने वह पद त्याग दिया। सन 1962 में आज तक ये हाबरा वस्त्र व्यवसायी समिति के अध्यक्ष हैं। इतना ही नहीं, ये सन 2009 से हाबरा पैबर ऑफ कामरो एंड इंडस्ट्रीज के कार्यकारी अध्यक्ष भी हैं। शिवरतनजी ने सिर्फ हाबरा या राजनीति के लिए ही कार्य नहीं किया, बल्कि माहेश्वरी महासभा से भी जुड़े रहे। सन 2004 में ये प. बंग प्रादेशिक माहेश्वरी सभा के कार्यकारी संडल के सदस्य बने और सन 2008 से 2010 तक प्रदेश के अध्यक्ष भी रहे। अपने अध्यक्षीय कार्यकाल में इन्होंने पूरे प्रदेश में (सूदतर कोलकाता के अतिरिक्त) माहेश्वरी सभा के 40 संघठनी का गठन कराया। जहाँ भी 10 माहेश्वरी परिवार हैं, वगभूमि पर आज वहाँ माहेश्वरी सभा है। वृन्दावन स्थित माहेश्वरी कुल के उपाध्यक्ष शिवरतनजी ने समाजसेवकों के साथ सिलीयुटी अस्पताल में माहेश्वरी छायावास के निर्माण का सपना देखा था। उसके लिए जमीन भी ले ली गयी है। निर्माण कार्य शीघ्र आरम्भ करने का प्रयास किया जाएगा।

वर्तमान युग में भले ही समाज के लोग अर्थ की प्रधान स्थान देकर अपने समाज की गरिमा बढ़ाने वाले लोगों को अपना गौरव स्वीकार करना मूल भाव ही, लेकिन हमें गर्व है कि भाईजी शिवरतनजी हमारे गौरव-पुरुष हैं। Mathematic के आदर शिवरतनजी के जीवन का मत सत्य है-संज्ञान-संज्ञान और आनंदित रहना ।

A BROTHER AND A COMRADE LOST

In the year 2007-08 I met Raj Kumar Kothari who was known to me since quite some time and requested him to take active participation in the affairs of SKBP's projects. He introduced me to his younger brother Shyam Sundar Kothari who agreed to actively look into the affairs of SKBP and thus began the journey of brotherhood and camaraderie. Hari Mohan Kothari, Shyam ji and I worked together on the land projects of SKBP. He was a man who would always caution us from time to time against the risks involved and was our guiding light in times of dilemma. It was only due to his presence of mind and his faith in the almighty that he made us organized Bhoomi Poojan at site at very short notice before beginning of boundary work which we had all forgotten earlier. He played a key role in monitoring the boundary work of SKBP Trust Land and was always by our side during difficult times such as when we were negotiating settlements with local clubs etc. Several times we would directly pick him up from his morning walk destination and all three of us would go to site discussing the SKBP project and his passion for badminton. Later on he was member of Executive Committee of Shree Kothari Bhaipa and when Kothari Bhaipa Pvt Ltd was formed he was inducted as a member of the Board of Directors and continued with us looking after the affairs of land until his health took toll. Just a few days before he left for his heavenly abode we met him, surprisingly he talked very little about his health and kept on inquiring about the developments of Bhaipa Project. It is very unfortunate that a man who till a few years back was such an ardent badminton player and was so passionately evolved in the activity of SKBP suddenly disappeared from us leaving a big vacuum. As we go ahead with the Project of SKBP his remembrance will always make us nostalgic as we shall always be missing him.

HOME REMEDIES

FOR COMMON AILMENTS

CURE FOR HEADACHES

The nose has a left and a right side. We use both to inhale and exhale. Actually they are different. You'll be able to feel the difference. The right side represents the sun. The left side represents the moon. During a headache, try to close your right nose and use your left nose to breathe. In about 5 mins, your headache will go. If you feel tired, just reverse, close your left nose and breathe through your right nose. After a while, you will feel your mind is refreshed. Right side belongs to 'hot', so it gets heated up easily. Left side belongs to 'cold'. Most females breathe with their left noses, so they get 'cooled off' faster. Most of the guys breathe with their right noses, they get worked up. Do you notice, the moment you are awake, which side breathes better? Left or right? If left is better, you will feel tired. So, close your left nose and use your right nose for breathing. You will feel refreshed quickly. Close your right nose and breathe through your left nose. Your headaches will be gone. Continue the exercise for one month.

MODERN INDIA WITH A MEDIEVAL MINDSET

SAURABH KOTHARI

Welcome to India the land of colours, extravagance, rich cultural heritage and tradition. The land with diverse cultures and traditions, a country where there are more temples than schools. In the 21st century we see India rising as a super power with a young brigade waiting to take the world by rage. But is it all gold in India or there is an other side to the story as well.

Rupesh is an 8 year old, but he does not go to school not because his parents cannot afford his education but no school is willing to give him admission because he is "specially abled" (not Disabled as we say). There are many Rupesh who face this indifferent attitude of the society and the apathy of the government makes their life even worse.

We all dream of a big fat Indian wedding but all that glitters is not gold. I would not be wrong in saying that marriage has become a business in India. In many o communities in India, the well being and the happiness of the bride depend on how much dowry her parents give. A survey showed that 70 % of women in India have faced domestic violence. Is this how marriages are meant to be? To worsen the situation of women we have the road side Romeos. Statistics prove that India is one of the most unsafe places for women especially in rural India. The retardness and sickness of society is such that it blames the women for everything.

Coming to rural India, we have this so called Khap Panchayat which has not only degraded the moral of the society but has also made the thinking so cynical that their ideology will take you back to the 19th century. Even without a time machine, when you feel you had enough of the Khaps then comes the Fatwa's, both are just two sides of the same coin.

If you feel that these are the only few social evils that is ailing our society, well then you are wrong. This was just the tip of an iceberg. Negativity in the society and obnoxious thinking of people goes a step ahead. Couples are being killed in the name of "Honour Killing", fights over caste and community is common, and to make matters worse we are "blessed" with such wonderful political parties which distribute the election tickets based on the caste and community equations. The so called modern India; still perform untouchability, racism, preference for male child, abortion and the blue chip company that is Superstition.

Everyday we read, women getting raped, children dying because of lack of sanitation and basic necessities like food and water. Parents killing their children in the name of superstition. Someone had rightly said that where science does not exist superstition takes place.

Frustration, shame, sickness, irritation, agony, are something which bothers mental state of every youth in the country and has been the root cause for migration of bright students from India settling abroad. May be we have survived an apocalypse but the doom's day is not far for India's social sector if a rapid change does not take place in the mind set of our people.

Change is what we need, not in our dress but our thought process. It is time to remove the glasses of cynical view and wear the glasses of liberal view and ideology.

" LET'S GET TOGETHER AND BE THE CHANGE WE WANT TO SEE "

BEAUTIFUL MESSAGE

by
CHETAN BHAGAT

Stay away from Anger.. It hurts ..Only You!

If you are right then there is no need to get angry,

And if you are wrong then you don't have any right to get angry.

Patience with family is love,

Patience with others is respect.

Patience with self is confidence and Patience with GOD is faith.

Never Think Hard about the PAST, It brings Tears...

Don't think more about the FUTURE, It brings Fear...

Live this Moment with a Smile,It brings Cheer.

Every test in our life makes us bitter or better,

Every problem comes to make us or break us,

The choice is ours whether we become victims or victorious.

Beautiful things are not always good but good things are always beautiful

Do you know why God created gaps between fingers?

So that someone who is special to you comes and fills those gaps by holding your hand forever.

Happiness keeps You Sweet..But being sweet brings happiness.

Do Share It with all the Good People In ur Life...
